Tools & Technologies: Google Workspace, Slack, Notion, Monday.com, ClickUp, Trello | ChatGPT and AI workflow tools, Claude, Kimi AI, Zapier, Make | Figma, Canva, Readymag, Squarespace, Loom | CapCut, Adobe Lightroom.

PROFESSIONAL EXPERIENCE

Influencer Marketing Specialist (Hybrid) | Brainlabs

Aug 2025 - Jun 2026 • NYC / BA

- Led end-to-end influencer campaign execution across organic and paid initiatives.
- Managed creator sourcing, outreach, negotiation, briefing, and performance tracking.
- Collaborated with creative, strategy, and paid media teams to connect storytelling with data-driven decision-making.
- Monitored real-time performance, optimized campaigns from insights, and refined campaign tracking and intake systems.

Collaborations Manager (Remote) | inBeat Agency

Nov 2024 - May 2025 • Montreal, CA

- Led influencer discovery and outreach, identifying creators aligned with campaign goals.
- Managed documentation workflows, supported daily team priorities, and adapted to shifting campaign needs.
- Maintained an organized influencer tracking system while meeting tight deadlines in a remote environment.

Freelance Web Designer & Creative Director | My Digital Crib

2021 - Present • BA, Argentina

- Design websites and digital portfolios that combine strong visual direction, clear structure, storytelling, and personality (mydigitalcrib.com).
- Manage each project from concept and visual research through page design, copy direction, revisions, and final delivery.
- Bring together photography, influencer marketing, creative direction, and web design while building a freelance practice.

Account Manager (Remote) | Indure MGMT

Aug 2023 – Feb 2024 • Miami, FL

- Oversaw multiple client projects, ensuring tasks and deadlines were completed across three account models.
- Built personalized account strategies and streamlined workflows using Notion, CRM systems, Google Workspace, and Slack.
- Created content previews and captions that supported client acquisition and retention; doubled key account metrics through data-driven optimization.

Executive Assistant & Personal Assistant (Remote) | Duke Renders LLC

Oct 2022 – Aug 2023 • Miami, FL

- Managed a busy calendar, coordinated high-level meetings, and prepared presentations, including SWOT analysis materials.
- Organized group meetings, captured notes, and tracked document submissions to improve project alignment and communication.
- Coordinated flights, vacations, restaurant reservations, Google Calendar, confidential information, presentations, and personal workflows in Monday.com.

Bids Sourcer Assistant & Personal Assistant | Alphapromed LLC

Dec 2021 – Aug 2022 • Tampa, FL

- Supported bid sourcing, registrations, document workflows, database updates, onboarding, contract updates, and reporting.
- Coordinated travel between the USA and China, service vendors, schedules, and communication with lawyers and banks; used Google Workspace and Notion for task automation.

Virtual Assistant | Sentido Radio

Jul 2021 – Oct 2021 • Madrid, Spain

- Managed scheduling, meetings, appointment bookings, bilingual communication, research, reports, and client inquiries in a remote creative media environment.

Photographer & Creative Director | Self-Employed

Nov 2018 – Oct 2020

- Created cinematic and editorial portraits for influencers, creatives, and personal brands ([Photography: @PASTFLASH](#)).
- Managed the full creative process from consultations, visual references, styling, and location planning through on-set direction, post-production, and delivery.
